Speed report: three Morley skaters were successful at the competition in Korea, earning one gold and two bronze medals. Peter suggested that the rink be approached to add the gold medallist's photo to the wall set.

Moved: Kylie Robertson

Seconded: Miles Vinar

Costume report: No order has been submitted yet for jackets as there was insufficient interest from club members. Kylie and Sally are to check whether any skaters would like to order jackets to get an idea of the numbers wanted. We decided to try putting out a call for costume orders from club members twice a year, 10 weeks before the State Championships for Artistic and Speed so that orders can be submitted to the manufacturer eight weeks prior to each competition. This could be cut down to once a year if there are not enough takers to place orders twice a year.

Fundraising: The committee agreed to the proposal that a fundraiser for the Show Group can be run under the umbrella of the club. All members of the Show Group are now Morley skaters. The Morley letterhead and insurance cover information will be emailed to Vanessa.

An agenda item for our August meeting will be discussion of whether to hold a sausage sizzle at Masters or some other kind of fundraiser. We would like to appoint a fundraising organiser for club events. With the AGM due in September, we need to give due notice of it and send an email requesting nominations for committee positions.

Other business: The long weekend had been used to remove most of the the old circles and clean sections of the floor in preparation for laying figure circles at the rink. Four loop and two long sets of circles were completed this morning.

Engraving of trophies won at the State Championships is almost complete. One winner who missed the club order has been told that their engraving cost can be claimed back from the club.

Next meeting: Monday 1 August, at 5.30 pm.

Time meeting closed: 6.25 pm.

Peter Rye (President)
