2017 LEAGUE 1 AND PROFICIENCY TESTS

The event, while small, ran well. Those who entered will have established a good start for 2017.

As far as I could see, all our skaters passed their dance tests, and most passed their figure tests.

HUGO CHAPOUTO DANCE SEMINAR

The event was a big success – as usual – with both skaters and coaches having a lot to take away and work on.

ITEMS FROM THE NOVEMBER WAAC MEETING

Some further dates have been confirmed for next year's calendar: State Championships 6-7 May, Novice Championships 25 August, League 3 3-4 June and League 2 4-5 February.

Gawaine Davis will be conducting a dance camp at Bunbury over the period 12-15 January.

The WAAC has a sizable amount in its bank account, and the issue of how best to use some of it in the interests of WA skating was canvassed. Suggestions are sought from clubs.

Clubs have been asked to ensure that the Working With Children clearances of all our coaches are up to date. I have contacted all of them, with responses so far from Danae Clark, Barry Andrews and Bill Foster. I will be following up the rest.
