

**Morley Panthers Roller Skating Club**  
**Artistic Representative's Report**  
**January 2017**

A very short report this month, as befits the time of year.

**CLUB END-OF-YEAR AND SHOWSKATE NIGHT**

The night's events ran very well; congratulations to all who contributed, not only with the showskates but also the catering and raffles.

**OFFICIALS' SEMINAR, JANUARY 22-23**

We are still trying to encourage members and parents to come to this event, even if only to "test the water".

**LEAGUE 2**

Nominations are coming in, but it is expected that some "cajoling" will be needed to ensure no-one misses the deadline.

**FLOOR RESURFACING**

This is now formally scheduled, fortunately in the period immediately after League 2. With the long break from League 2 to League 3, the disruption to our skaters' preparations will be minimised.

After the floor is finished, club members will have to re-lay the figure circles. Barbara and I will be away at the time (from 16<sup>th</sup> February to 7<sup>th</sup> March), so it will be necessary for other members to volunteer for the task.

Peter Rye
