

**Morley Panthers Roller Skating Club**  
**Artistic Representative's Report**  
**May 2017**

**STATE CHAMPIONSHIPS**

This was a big and tiring event for all participants. While the early start on the Saturday seems unavoidable at the moment, it does contribute to the level of fatigue felt by all on Sunday evening.

The competition was a great success for the club, winning the overall club trophy (again). It was also a great success for Charli Nuttall, with her winning the under-14s figures and dance trophies, as well as sharing the best artistic performance award (Tony Millett trophy) with Calista Aliphon. The other club member taking away a trophy was Amadee Bond, taking the figures trophy for her age group.

I would also like to record my thanks to Sasha Nuttall for her efforts in organising the officials' lunch on Sunday, as well as the parents who helped by manning the marshalling desks.

**NATIONALS AND LEAGUE 4 NOMINATIONS**

A brief note that a very, very busy time remains for your artistic representative, having to arrange both National Championships and League 4 nominations in the next few days.

**FLOOR RESURFACING**

Figures circles were completed by Barbara and myself in the week after the last club meeting. We laid a reduced number of loop sets, but what we have appears to be plenty for the demands.

**DEVELOPMENT CLASS**

My latest information from Jazmin is that the class is now doing well. I am sure that the capacity we again have to direct promising skaters (of all ages) to this class from the weekend Star Classes will bring big returns in coming months.
