The Romney Park vineyard is located on a ridge of ironstone between Balhannah and Hahndorf in the Adelaide Hills, South Australia.

We pride ourselves on being clean and sustainable. There are only seven acres of vines at Romney Park and these are hand-pruned and hand-picked. The vines are dry-grown and guinea fowl are used to keep pests at bay. Our focus is to grow the best quality fruit then preserve the clean pristine flavours throughout the winemaking process.

Our winery is less than 100 metres from the vineyard, ensuring the fruit is in perfect condition for crushing. All our wines are fermented in small batches on indigenous yeasts and matured solely in French oak barriques.

We crush about six tonnes of fruit per vintage, making approximately 5000 bottles of wine. We believe that our attention to detail and the fact that we personally make and bottle all our wines at Romney Park gives these wines a uniqueness and personality that can only be found in genuinely boutique wines.

We have won many medals both locally and interstate, and notably, our Pinot Noirs have won the Best Pinot Noir of Show Trophy at the prestigious Adelaide Hills Wine Show; been awarded 96 points by James Halliday and have been in the top five Australian and New Zealand Pinots in the Winestate Magazine Wine of the Year Awards. Furthermore, every vintage of our Shiraz has won a gold medal at the Adelaide Hills Wine Show.

Our Pinot, Shiraz and Chardonnay are 'food' wines with great structure. The rich fruit with lovely natural acidity and tannin has excited some of Australia's top chefs, including Cheong Liew and Tony Bilson. We hope that you will enjoy them too.

Tasting is available seven days a week by appointment.

Kind regards,

*Rod Short*

Winemaker, Romney Park
